Superior Quality ... Power Feed Contacts

The faster running speeds of today's wire EDM machines demand a superior Power Feed Contact. Now you can obtain Power Feed Contacts of unparalleled quality.

- Only those highest quality materials most conducive to consistent and extended wear life are utilized.
- All dimensions are finished ground to exact tolerances.
- All wear surfaces are polished for smoother wire movement.
- They're available immediately from stock.

And they're backed by Oberg's unconditional no-quibble guarantee:

Buy your first set of Oberg Power Feed Contacts. If for any reason you're not satisfied, return the set for a full refund of your purchase price.

You really can't lose!

If you would like data/price schedules covering your particular wire EDM machine(s), please contact us.
