1.999	2.240	5/16	2.001
2.499	2.740	5/16	2.501

Precision-ground steel construction. Pins of all diameters through 1½-inches, and lengths under 12 inches, are centerless ground. Larger diameters or lengths are ground between centers.

Lamina has produced hundreds of thousands of these pins. No finer quality will be found anywhere.
